ENSURING THE FUTURE

Imperia Structures is a proud and active member of both Indian Green Building Council and GRIHA (Green Rating for Integrated Habitat Assessment). We strongly believe that it is our responsibility as developers to make sure that our developments are sustainable for future generations. We have gone out of our way to make sure that Esfera is equipped with all the modern environmental techniques like rain water harvesting and a hybrid waste management system etc. to make a positive impact on the environment.

THE VALUE OF TIME

Imperia Esfera is not just another township. It is a radical new concept, focused around economizing your time. It is a world where breakfasts with the family aren't a Sunday-only affair and a romantic date doesn't have to wait for an anniversary. A world where you'll never have to choose between your work and your child's school play.

YOU ARE ONLY MOMENTS AWAY

Esfera is located at sector 37-C in Gurgaon. This site was specifically selected for its proximity to every facility you may need. It is but minutes away from the many malls in Gurgaon and the commercial districts. There are many schools and hospitals in a 5 minute travel radius so you are always only moments away from wherever you need to go.

- 3 minutes from upcoming metro station
- 10 minutes from the malls at MG road
- 25 minutes from the International Airport

YOUR TIME IS ALWAYS YOURS

Imperia Esfera goes beyond the basic facilities. Within the township's walls you will have a world class school, expansive landscaped parks and greenery, a multi-speciality hospital, and a 5 star hotel. So you're never more than a 2 minute walk away from a parent-teacher meeting, a family picnic spot, a medical check-up or a place to go for a romantic date.

TIMELESS IMPERIA

With a history of delivery and trust built over 25 years, Imperia Structures, from day one, has been a real estate developer with a difference. We don't believe in just creating structures. We always strive to create a space where life breathes, happiness multiplies, families come together and individuals blossom. For over two and a half decades we have emphasized on creating a leadership driven organisation to ensure Imperia as a family evolves to keep ahead of the times.
